

**HOPEWELL VALLEY HISTORY AWARDS**  
**2021 Award Nomination Form**

The Hopewell Valley Historical Society's History Awards program recognizes the important and varied contributions of individuals, groups and organizations, and businesses to preserving the history of the Hopewell Valley community, making it more accessible to the public, and promoting its greater public appreciation. HVHS has established six categories of History Awards and corresponding eligibility criteria and guidelines for nominations.

Please complete one form for each person, group, organization, or business you wish to nominate. Attach additional pages as necessary. Completed nomination forms and attachments should be either mailed to Awards Committee, Hopewell Valley Historical Society, P.O. Box 371, Pennington, NJ 08534; or scanned to pdf files and e-mailed to [hvhistoryawards@gmail.com](mailto:hvhistoryawards@gmail.com). *NOTE: The HVHS Awards Committee is not obligated to give an award in a particular category if the committee determines that there is no qualified, deserving nominee.
